FENG SHUI LIFE

The “Entertainment Tonight” of Feng Shui.

High-end hotels, sensuous design, state of the art retail stores, Asian fusion cuisine and celebrity gossip, it’s all right here on **Feng Shui Life**. Follow our dynamic hosts Karyn Klaire, Phil Guerrero, Gillian Vanderburgh and Stacey Munro as they report on what, where and who is practicing Feng Shui and why? Find out all there is to know about the trendy practices of Feng Shui, Zen and other related topics.

It is important to create balance between our personal and professional lives. We all need equal measures of yin and yang. For instance, Feng Shui savvy designers apply Feng Shui principles to urban and interior spaces, creating movement between natural and industrial design. Their ultimate goal is to enhance the flow of good “chi”. People who live and work in such environments feel more energetic and creative, thereby increasing the potential for financial success and personal harmony.

Feng Shui Life is a lifestyle series produced to improve the viewer’s health, wealth, and happiness.

Each episode of **Feng Shui Life** features fabulous homes, businesses, landscape design and advice from Feng Shui practitioners from around the World. Graphically and visually stimulating, FSL is a fast paced, informative and highly entertaining show.

"WE SHAPE OUR DWELLINGS, AND AFTERWARDS OUR DWELLINGS SHAPE US."
